

# Columbia, SC Tailgating Location Updates

Due to Covid-19, The University of South Carolina is discouraging tailgating on its property around Williams-Brice Stadium this fall. This basically means no tailgating at Gamecock Park. Gamecock Club members will still be able to park their vehicle at Gamecock Park and enter the stadium, but the full day tailgate ritual we will all be used to will have to wait until the 2021 season.

**Tailgate Anywhere** this fall within a 50 mile radius of Columbia and we will bring the gameday experience to you! Whether you want to host a gameday tailgate party in your backyard, place of business, or in a private tailgate lot near the Williams-Brice Stadium, Tailgate Group has you covered.

Choose from our selection of Tailgate Trailer and Tent/TV rentals for your next party in the greater Columbia area. Prices are the same for each weekend this fall. You decide on the exact location and we will deliver, setup, and break-down everything. Your only job is to show up and have a good time!
