

South Carolina Baseball TAILGATE PACKAGES

South Carolina Baseball tailgate packages are available for the Gamecock Block Party at Founders Park for the March 12th game versus Texas, April 9th game versus Georgia, and April 16th game versus Ole Miss! We are excited to be a part of this pre-game launch with the South Carolina Athletics!

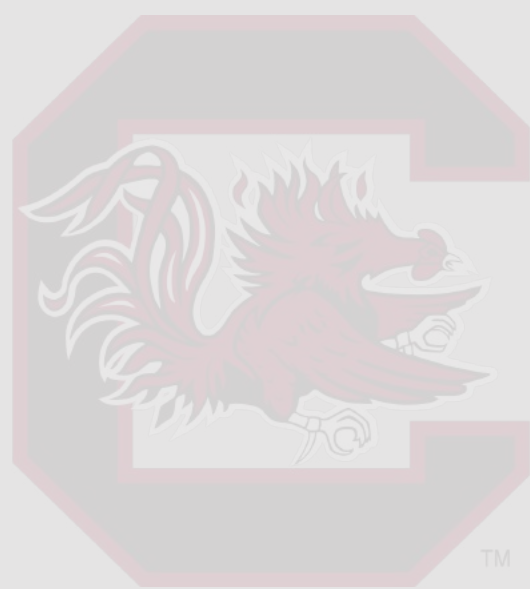

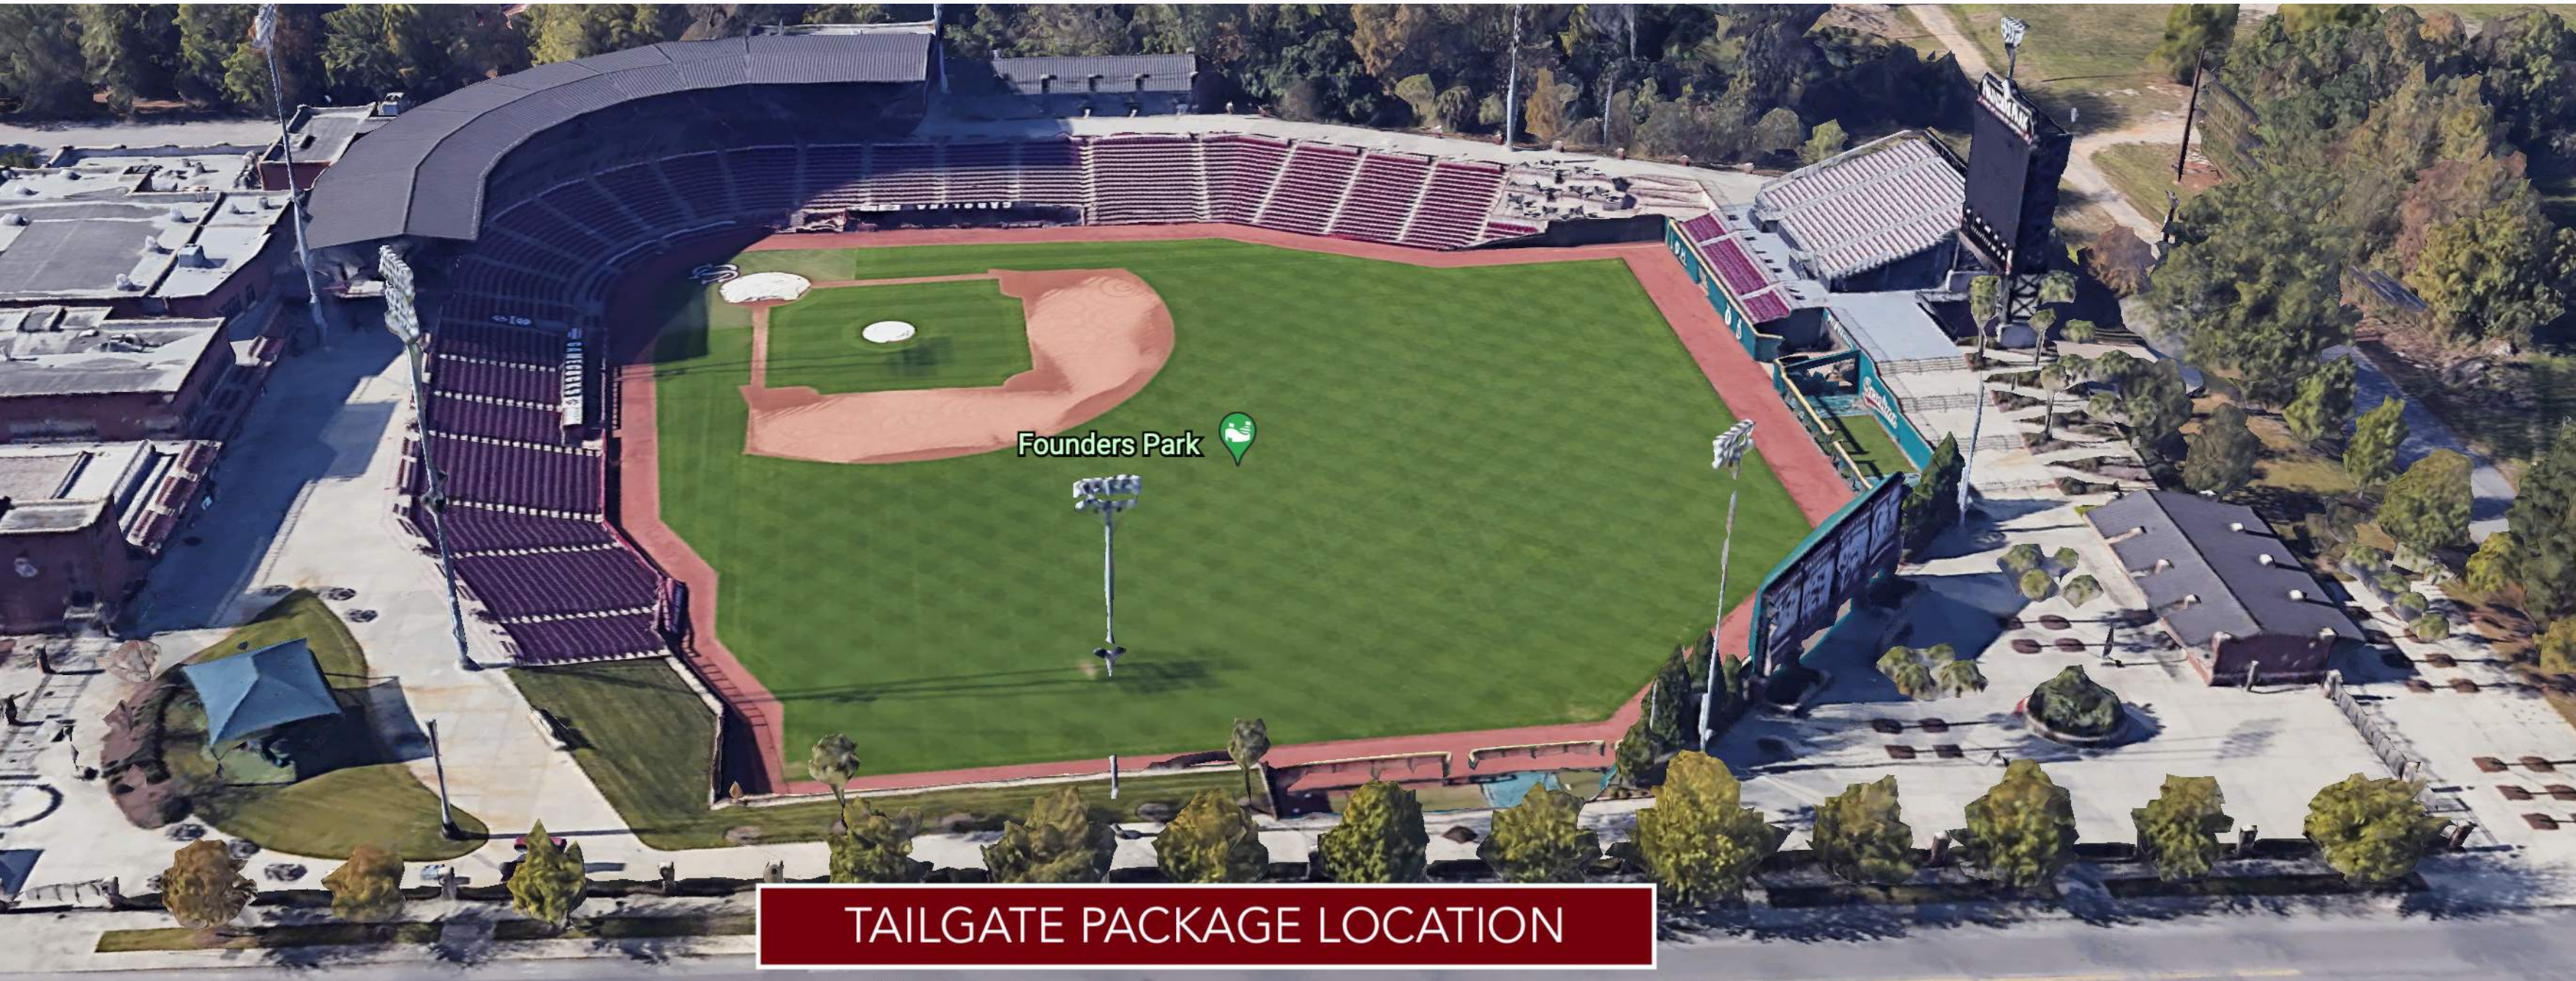

Enjoy a turnkey tailgate package starting 3 hours prior to each game with a view of the entire baseball field located on the sidewalk off Williams St (against the Right Field gate)! These tailgate spaces are available on a first-come first-serve basis and space is limited.

Choose from our selection of turnkey tailgate packages below to start your gameday in style and comfort. Prices are per game and the same for each game this spring. We secure the location, deliver the equipment, set up, and breakdown everything. Your only job is to show up and have a good time!
